

MEMBERSHIP FORM

The Auxiliary, started in 1969, is an inclusive organization open to anyone interested in the Health Center. Some members maintain membership to show support, others have time to volunteer. Membership entitles you to our newsletter, a one-time 20% discount coupon for the Connucopia Gift Shop, a coupon for one half-price item at the Thrift Shop, notices of special events, and the satisfaction of working together.

Contributions from the Auxiliary to the Health Center have gone toward: the Connecticut Art Collection (which has grown to more than 1,500 works of art), a chair in medical humanities and bioethics named for Dr. Joseph Healy, a student endowment program for scholarships, equipment purchases, project grants, requests from various departments, and a research library. Our total contribution is now over \$8 million. Please join us, we need your support.

A little bit of you makes a big difference to us.

Contributions are deductible for income tax purposes to the extent allowed by law.

Please complete and send with your check to:
